

RACE GLEANINGS.

Frank Craig, a Negro pugilist, is rated as worth \$60,000, and as making \$6,000 annually in England.

Georgia white people lynched a Negro at Griffin, in that state, on the 24th ultimo, and Louisiana added a similar blot to her record on the same date.

February is the shortest of calendar months, but she claims as her children America's three greatest men—Washington, Lincoln and Fred Douglass.

"Black Pearl," a Negro pugilist of some note killed a companion out in Enid, Oklahoma a few day ago, and was with difficulty saved from lynching.

Mrs. Ezzel, of Kaufman County, Texas, is the richest colored woman in Texas. Her husband left her \$75,000 and she has 260 acres of highly improved land.

\$32,000 has been given by Mr. Wm. Pitts, of Massachusetts, for religious work among the Negroes in Georgia, under the direction of the Protestant Episcopal Church.

Paul Laurence Dunbar seems to have forsaken the East. He is winning new laurels out West. An immense throng gathered to hear him in Kansas City, Mo., and the 27th ultimo.

John Conway, of Anne Arundel county, Maryland, an industrious but unlettered colored man died not long since leaving an estate worth \$15,000, the result of his own thrift.

Dr. Newton Dwight Hillis in his Plymouth pulpit lately, startled his congregation by his vigorous prayer to God to save us all from the damnable heresy that this is a white man's country.

The bill creating a new United States Court in North Carolina, has become a law. Now let us see whether Senator Pritchard will make good the prediction that he would be the first Judge.

The Henry Highland Garnet Club, an organization of progressive colored men in King's County, New York, is making itself felt in Brooklyn local politics. George E. Wibecan is the leading spirit.

The legislature of Virginia, democrats and republicans alike, recently voted to appropriate \$5,000 to defend the suits brought by Negroes to test the constitutionality of the recent suffrage laws.

The entire Negro population consisting of twenty souls, was driven out of Webrum, Pa., by the whites, and their houses destroyed on account of the shooting one day last week of a white loafer by a Negro.

The colored brother is not expected to be a large or a potential factor in the next National Republican Convention. Lily-whitism will get in its most deadly work against the race when the delegates are to be selected.

Stephen Paine, a retired member of the Chicago Fire Department and a Negro, who died recently, is accredited with being the inventor of the sliding pole, now one of the indispensable things in every fire engine house.

Hayden Hall of Cementville, near Jeffersonville, Indiana, wants to be postmaster of his town. He is respectable and honest, but he is a Negro, and the whites who have no candidate of their own are protesting. It looks now as if Mr. Hall will win out.

Mr. James J. Butler, the democratic congressman from Missouri, who has just been unseated by the House of Representatives is a large employer of labor. It is said that in his various enterprises in the city of St. Louis, more than 2,000 Negroes are on his pay rolls.

Dr. Anna B. Schultz, a successful colored physician, was called in last week to attend a colored man, who had met with an accident on the railroad. The road agreed to pay the doctor's bill and give the man a certain amount of money, etc. When Dr. Schultz presented her bill for \$1,000, representatives of the road objected to paying that amount and offered \$600 instead. Dr. Schultz insisted on calling Dr. Dan. H. Williams in consultation in the matter, and in the meantime allow him to decide the fee. Dr. Dan was accordingly called in, and his very presence decided the matter at once. The road people knew him and acceded without a word to allow Dr. Schultz \$1,000 and the hurt man \$1,000. Dr. Schultz divided her fee with the able doctor and the man is doing well. Dr. Schultz is the sister of Mr. Thomas H. Carter, of this city.
